To make the most of your time, bring with you...

- 3 or more photos of the area to be redesigned printed out on
- 8 1/2 x 11 on plain paper (sorry, we won't be able to look at photo stills on the camera or your phone)
- survey that shows the area with your measurements of existing trees or features that don't show on the survey,
- photos of landscapes you like.

The design team will meet with you, draw a quick plan you can use to install the new ideas, and show you the recommended plants in the nursery -- all within an hour.
