

## NHG Garden Coach Program

**In-Store Consultation: \$50 for 45 minutes** by appointment

Are you a beginning gardener and need some help getting started? Perhaps you have a new home and need help addressing existing problem areas, or just want a fresh garden makeover. A visit with our Garden Coach will help take your gardening skills to the next level.

Spend 45 minutes here at the garden center with our Garden Coach, a Texas Certified Nursery Professional. Your Garden Coach will help you identify areas in your landscape ready for improvement, suggest the proper plants for your needs and provide maintenance information. Then, she'll take you through the garden center to show you the plants you're interested in and help you make the right choices. With your consultation you'll receive an NHG gift card for \$50, the cost of your consultation, which you can apply to any plant purchase that day or in the future!

**To make the most of your time, we suggesting having:**

- 1. A list of at least 3 goals you want to accomplish in your garden.** This list will help your Garden Coach zero in quickly on your most important needs.
- 2. Your NHG Garden Planner.** Pick one up before your appointment and make sketches and notes for our Garden Coach to review. Make sure to note sun exposures, sun areas, shade areas (N, S, E, W). Your Garden Coach will make notes on this planner for you to keep.
- 3. Up to 10 photos of your garden.** Photos will help give your Garden Coach a better idea of what you already have and what you'd like to change. Feel free to bring any additional plant tags, books, magazines, plant or garden pictures that will help communicate your likes or dislikes.
- 4. A plat of your property, if you have one.** A plat is not necessary, but is often helpful to understand the scale of your house to the surrounding property.

### **How the Consultation Works:**

First, your Garden Coach will sit down with you and your materials and ask you a series of questions. You'll spend about 20 minutes (or more if you'd prefer) going over your NHG planner and photos. Your Garden Coach will make plant or hard scape suggestions and make these notes on your NHG planner. For the remainder of your appointment time, your Garden Coach will take you out into the garden center to show you recommended plants and features. Your Garden Coach can help you make plant selections at that time, or you can come back with your planner and shop at a later date (with your \$50 NHG Gift Card!).

*Please note, our Garden Coach service does not include design services. While your garden coach will make plant and layout recommendations on your planner, they cannot provide a full garden design. **Appointments MUST be cancelled with 24 hours notice. Thank you.***
