Garden Coach At-Home Consultation: \$125 first hour, \$50 for each subsequent 30-min block. Price includes travel time.

Are you a beginning gardener and need some help getting started? Perhaps you have a new home and need help addressing existing problem areas, or just want a fresh garden makeover. A visit with our Garden Coach will help take your gardening skills to the next level.

Our Garden Coach, a Texas Certified Nursery Professional, will visit you on-site at your home by appointment in select Dallas areas. Your Garden Coach will help you identify areas in your landscape ready for improvement, suggest the proper plants and maintenance information.

To make the most of your time, we suggesting having:

- 1. A list of at least 3 goals you want to accomplish in your garden.** This list will help your Garden Coach zero in quickly on your most important needs.
- 2. Your NHG Garden Planner if you have one.** Your Garden Coach will bring one to your appointment, or if you'd like you can pick one up before your appointment and make sketches and notes for our Garden Coach to review.
- 3. Photos, books, and magazines with plants, gardens or features you like.** Additional imagery will help communicate your likes or dislikes to your Garden Coach.
- 4. A plat of your property, if you have one.** A plat is not necessary, but is often helpful. If you'd prefer your Garden Coach to make notes on the plat, you may do so.

How the At-Home Consultation Works:

Our Garden Coach will call you to schedule your appointment and have a 5-minute phone conversation with you about your needs before your appointment. If you happen to speak to her in-store she'll do the same. We will require advance payment for your consultation in order to secure your appointment. We can accept CC payments over the phone or you may pay by CC, check or cash in person at the store. Once the Garden Coach is at your home, if you decide you'd like additional time (and time is available in her schedule), payment for additional time will be due at closure of the appointment. When your Garden Coach arrives, she will walk your property with you and ask a series of questions. She will make notes about your property, existing landscape, maintenance issues and ideas on your NHG planner. You can choose to address your entire garden, or have your Garden Coach focus on specific areas of your choice. After the tour, your Garden Coach will sit down with you and review recommendations and if time allows review additional photos of your choice, books or other items you'd like to share. You will receive a written copy of notes at your session.

*Please note, our Garden Coach service does not include garden design services. While your garden coach will make plant and layout recommendations on your planner, they cannot provide a full garden design. NHG has a landscaper referral book at the store service desk that you are welcome to review. **If you need to cancel or re-schedule your appointment please do so 24-hours in advance.***
