**Garden Center + Art Gallery + Café**  
**Fall 2019**

### A picturesque space offering a unique, natural location for your special event

**North Haven Gardens** has five primary event spaces with flexible seating for up to 100 guests. We host birthday parties, fundraisers, corporate team-building activities, holiday events, baby and bridal showers, and receptions. Ask about our customizable make-and-take workshops, perfect for tailoring to the interests of your group.

**The Dining Room:** A charming space adjoining our café. Picture windows look out at tables of blooming plants...a beautiful background for any event.

**The Classroom:** Our largest meeting space is located within our tropical greenhouse. Perfect for presentations, classes and workshops. A/V equipment and microphone are available.

**The Community Room:** This quiet meeting room is located near our gallery and the café. Perfect for smaller meetings, presentations, and intimate gatherings.

**The Café @ NHG:** Enjoy dining in our café or on the patio! We use healthy, green cooking processes and source fresh, local produce whenever possible, including sustainably sourced meats and fish. Custom catering and menus available upon request as well as beer, wine and champagne.

**The Gallery @ NHG:** A quality space dedicated to expanding interest in local art through the works of local artists for those dedicated to a lifestyle enhanced by gardening, nature and the environment. Shows change every two months and open with a casual, public reception.
