

Donation Request

We actively support community efforts that promote gardening and a lifestyle enhanced by nature. Organizations and events requesting donations should **have a mission directly linked to gardening, plants, ecology, or nature preservation**. While we cannot support all of the deserving and worthwhile causes, we aim to support those in our immediate market area.

So that we may include as many organizations as possible, **the customary donation is a North Haven Gardens gift card**. Unfortunately, we are unable to grant monetary sponsorships to organizations or events.

Please send completed application (with the subject line DONATION REQUEST) to Rusty E. Allen at the address/email/fax number below. Incomplete requests or those sent without a description on the organization's letterhead will not be considered.
