

2021 Rose List

Cultivar/Variety Name	Color	Description
Antique		
American Beauty !	Deep Pink	1875. Hybrid Perpetual. Cup-shaped flowers with a brilliant crimson color. Strong tea-scented blooms. Blooms heaviest in spring and fall. Thornless. Petal count 50.
Blush Noisette !	Blush Pink	1817. Noisette. Soft pink double blooms are produced in clusters of 6 to 12. Light clove fragrance. Repeat blooming. Petal count of 25-40.
CL Cecile Brunner !	Pink	1894. Polyantha Climber. Clusters of small pointed pastel pink buds open to reveal creamy pink blooms with a moderate tea fragrance. Blooms heaviest in spring on old wood; some reblooming in the fall. Petal count 25-40.
CL Celine Forestier !	Yellow Blend	1858. Noisette Climber. Fully double blooms of soft pink, cream and yellow with a strong spicy scent. Petal count 25-40.
CL Fortuniana !	White	1850. Fortuniana. Violet scented, two inch, double blooms, with a knotted center are borne on nearly thornless canes. Blooms in spring. Petal count 25-40.
CL Mermaid !	Yellow	1918. Climber. Fragrant, large, single flowers. Repeats best once established. Petal count 5-7.
CL Mme. Alfred Carriere !	White	1879. Noisette. A strong, reliable climbing rose. Large, sweetly scented, cupped blooms; creamy white tinted with pink. Flowers freely and continually. Petal Count 30.
CL Old Blush !	Pink	UNK. China Climber. Heavy bloomer and very hardy. Repeat bloomer. Petal count 9-15.
CL Peggy Martin !	Pink	UNK. Climber. Famous rose that survived Hurricane Katrina. Blooms throughout the growing season on nearly thornless canes. Petal count 15-25.
CL Sombreuil !	White	1850. Tea. Creamy-white blooms are very large, flat, and quartered, with a most delicious tea rose fragrance. This mannerly climber is ideally suited for use as a pillar rose, or trained on a low wall, fence, or trellis. Petal count 40 plus.
CL Zepherine Drouhin !	Cerise Pink	1868. Bourbon Climber. Thornless climber that blooms a beautiful cerise-pink in spring and fall with a strong bourbon fragrance. Petal count 15-25.
Enfant de France !	Silvery Pink	1860. Hybrid Perpetual. This "Child of France" creates quite a show with elegant clusters of light pink blooms. A graceful garden rose that is intensely fragrant with notes of attar, pepper and a hint of old fashioned soap. Petal count 40 plus.
Felicia !	Apricot	1928. Hybrid Musk. Fully double flowers of apricot pink fading to cream. Intense fragrance makes this rose an outstanding cut flower. Petal count 16-25.
Fellenberg !	Red	Prior to 1835. Noisette. Large clusters of rosy blooms. Considered the only red noisette. Petal count 36.
Gruss an Aachen !	Pale Pink	1909. Floribunda - Believed to be the original rose that began the Floribunda class. Buds open to reveal large pale pink, double blooms that fade to a creamy white with age. Light sweet fragrance. Repeat bloomer. Petal count 40 plus.
Maggie !	Violet	UNK. Shrub. A "found" rose with highly fragrant flowers, blooms through summer and into the fall. Petal count 25-40.
Maman Cochet !	Pink	1893. Tea. The epitome of the classic long-budded Tea. Her fine shape, strong stems, and true orris odor all recommend her for southern gardens. Petal count 26-40.
Marie Pavie !	Cream	1888. Polyantha. Nearly thornless rose. Musk fragrance. Pink buds open to clusters of creamy white blooms. Petal count 15-25.
Martha Gonzales !	Scarlet	1984. China. Bright scarlet, neat single flowers open flat to decorate a bushy shrub whose neat foliage has a dark red tinge. Petal count 15-25.
Mme. Joseph Schwartz !	White	1880. Tea. As a sport of 'Duchess de Brabant', it has the same habit and form except it is a pale white with a light pink blush. Lovely light tea fragrance and good repeat blooming. Petal Count 15-25.
Monsieur Tillier !	Pink	1891. Tea. This large, upright shrub bears sweetly fragrant flowers that are a mixture of pale rose, salmon and purple. Petal count 40 plus.
Mrs. R.M. Finch !	Rose	1923. Polyantha. Cupped, semi-double, bright rose-pink blooms are borne in delicate clusters and fade to a light pinkish-white with age. The fragrance is light and clean. Repeat blooming. Petal Count 26-40.

Cultivar/Variety Name	Color	Description
Odee Pink !	Pink	UNK. Tea. Unknown old tea rose with a wonderful tea fragrance. Pale pink blooms. Found close to Brenham. Petal count 20 plus.
Old Blush !	Pink	1752. China. Semi-double, lilac pink flowers in loose clusters. The blooms flush darker pink in the sun and are followed by large orange hips in late fall. Petal count 25-40.
Austin's English		
Carding Mill	Apricot	Large blooms in shades of pink, apricot and yellow. Strong, beautiful myrrh fragrance. Repeats well. Enjoys warmer climates. Petal count 80.
Charlotte *	Yellow	Sumptuous soft yellow, cup-shaped blooms with a delicious tea rose fragrance. Excellent repeat flowering and good disease resistance. Petal count 100.
CL Tess of the d'Urbervilles *	Crimson Red	A compact climber bearing large, deeply cupped, bright crimson-red blooms, with a pleasing old rose fragrance. Repeat flowering. Petal count 110.
CL Wollerton Old Hall *	Pale Apricot	Plump buds open to reveal flowers of soft apricot that fade to cream. One of the most fragrant of the English roses with a distinctive myrrh scent. Can be grown as a shrub or trained as a climber. Repeat flowering. Petal count 45.
Crocus Rose *	Creamy White	A very free-flowering rose, bearing large rosettes of a palest apricot, paling to cream on the outer petals. The blooms are held in large clusters, poised on slightly arching stems. It has a delightful light tea rose fragrance. Repeat flowering. Petal count 110.
Darcey Bussell *	Crimson	Deep crimson rosettes with a delightful fruity fragrance. An exceptional variety which flowers freely and repeats well. Compact, bushy growth. Petal count 70.
Desdemona	White	Pink buds open to beautiful, pure white blooms, with an attractive hint of pink at the earliest stage of flowering. Strong old rose fragrance. Petal count 52.
Golden Celebration *	Gold	Large golden blooms have a strong tea fragrance with a hint of strawberry. Forms a rounded, arching shrub or may be used as a climber. Repeat flowering. Petal count 70.
Molineux *	Yellow	Rich yellow, rosette-shaped flowers with a musky, tea rose fragrance. Upright growth habit and exceptional blooming. Repeat flowering. Winner of three awards. Petal count 120.
The Lady Gardener	Apricot	Large, full petalled, rich apricot blooms. Strong and delicious tea fragrance. Repeat flowers quickly. Petal count 65.
The Poet's Wife *	Yellow	A truly gorgeous yellow rose which will brighten up your garden. The deep, sunny yellow cupped blooms have a remarkable fruity fragrance that is absolutely delightful. Repeat flowering. Petal count 77.
Tranquillity *	White	Pure white blooms with a light apple fragrance. Almost thornless, repeat bloomer with good disease resistance. Petal count 110.
Climbing		
America	Coral	Gorgeous, large coral cup-shaped blooms exude a spicy fragrance. Blooms on old and new wood. Petal count 40-45.
Cloud 10 * !	White	Huge, pure white, fully double, cuplike blooms have an exotic musk scent. This modern climber shows good disease resistance and will rebloom throughout the season. Blooms on old and new wood. Petal count 50-60.
Don Juan	Red	Favored by rosarians and gardeners alike for more than half a century. Dark red, fragrant flowers will cover this rose once established. Blooms on old and new wood. Petal count 30-35.
Golden Opportunity *	Gold	Large blooms are 3.5-4" in diameter and grow in clusters. The deliciously fruity scent attracts butterflies and other pollinators. Petal count 35-45.
Joseph's Coat	Yellow/Red	Colorful blooms of yellow & scarlet. Good repeat bloomer. Blooms on old & new wood. Petal count 23-28.
Red Cascade !	Red	Climber. Profuse bloomer covered in one-inch red flowers. Repeat blooming. Petal count 15-25.
Sky's the Limit *	Yellow	Clusters of buttery-yellow blooms on a free flowering climber, with a light fruity fragrance. Reblooming even in the first season. Petal count 20-25.
White Dawn	White	Clusters of white, ruffled blooms on a vigorous plant. Sweet rose fragrance. Blooms on old and new wood. Petal count 30-35.
EarthKind		
Belinda's Dream !	Pink	The first floribunda rose to be named a "Texas Superstar" and receive the prestigious EarthKind designation. Very disease resistant with large fragrant pink double blooms. Petal count 45-50.
Caldwell Pink !	Pink	An ever-blooming found rose named after its location in Caldwell, Texas. The double, lilac-pink flowers form clusters that can be seen at a distance. Nice compact growth habit. Petal count 50.
Carefree Beauty !	Pink	This vigorous, upright shrub rose sports smooth, olive-green leaves and clusters of cup-shaped, semi-double, fragrant, bubble-gum pink flowers from spring to fall. Also known as 'Katy Road Pink'. Petal count 16-20.
CL New Dawn !	Pink	Climbing. Hardy and vigorous. Large, fragrant pale pink flowers that bloom on old and new wood. Petal count 35-40.
Climbing Pinkie !	Rose	Rose pink, cupped shaped blooms are produced in clusters of great profusion. The nearly thornless canes are easy to work with when training as a climber. Fragrant and reblooming. Petal count 15-25.

Cultivar/Variety Name	Color	Description
Knock Out *!	Red	Single cherry-red flowers bloom throughout the growing season. Petal count 7-11.
Marie Daly !	Pink	A sport of 'Marie Pavie' with clusters of medium pink, double flowers. Fragrant, repeat blooming and almost thornless. Petal count 15-25.
Mme. Antoine Mari !	Pink	Mildly fragrant, pink flowers that fade to cream. Blooms almost non-stop. Full, rounded growth habit. Petal count 15-40.
Mutabilis !	Yellow & Red	A blend of colors changing from yellow to orange to red and finally crimson. Also known as the "Butterfly Rose." Petal count 5-7.
The Fairy !	Pink	Shrub. Profuse clusters of small, double, pink flowers with a pleasant apple scented fragrance. Very profuse bloom habit, repeats well. Petal count 20-25.

Florascape

Apricot Drift * !	Apricot	Double apricot flowers bloom spring through fall. Best for small gardens or along pathways. Petal count 30-35.
Coral Drift * !	Coral	Covered in small, semi-double coral blooms with a compact, rounded growth habit. Petal count 20-25.
Peach Drift * !	Peach	Pretty peach blooms on a compact rounded form. Petal count 15-20.
Pink Drift * !	Pink	Low-growing shrub with a 3' spread. Deep pink flowers bloom throughout the season. Petal count 7-8.
Red Drift * !	Red	Almost a true red bloom. Excellent used in small gardens or containers. Petal count 15.
White Drift * !	White	The newest addition to the 'Drift' series of roses. It has beautiful bright white, fully double blooms and a low spreading growth habit. Petal count 30-35.

Floribunda

Adobe Sunrise * !	Salmon	A very compact floribunda rose with large, full salmon-orange flowers. A good choice for containers or smaller gardens. An excellent repeat bloomer. Petal count 50-55.
Angel Face	Lavender	AARS 1969 Winner. Double ruffled lavender flowers. Strong citrus fragrance. Petal count 25-30.
Bolero * !	White	This compact Romantica® rose has extraordinarily large, cupped creamy white blooms that emit a strong fragrance of traditional rose mixed with tropical fruit. A wonderful rose for cutting. Petal count 100 plus.
Burst of Joy *	Orange/Yellow	Vivid blooms of bright orange with a yellow reverse are sure to draw attention to your garden. Petal count 25-30.
Canyon Road * !	Red	A compact growing rose with a unique brick red bloom, sure to add a pop of color to your garden. Petal count 45-50.
Easy Does It *	Apricot/Peach	2010 AARS Winner. Clusters of apricot & honey-peach colored blooms with a fruity scent. The individual petals have scalloped edges. Petal count 25-30.
Easy Spirit	White	Perfectly shaped cream colored buds open to reveal a classic white rose. The 3-4 inch blooms have a mild tea fragrance. Upright growth habit with glossy green foliage. Reblooming. Petal count 30-40.
Ebb Tide *	Purple	Dusky, deep-purple buds open to very double flowers of velvety plum. Strong clove fragrance. Petal count 35-40.
Iceberg !	White	Medium clusters of pure white blooms are borne in great profusion on a shrubby plant. Blooms are scented with a mild honey fragrance. Petal count 20-25.
Julia Child * !	Gold	Butter gold blooms with a licorice candy fragrance on a repeat blooming rose. Petal count 30-35.
Livin' Easy * !	Apricot	Loads of bright and bold orange, semi-double 3 1/2" blooms that have a spicy clove scent are borne on a repeat blooming plant. Petal count 25-30.
Rosie the Riveter	Orange Blend	Unusual flowers of orange-gold suffused with pink have a moderately fruity scent with spicy undertones. Petal count 30-45.
Silver Lining	Silver Lavender	Silvery, lavender buds appear in clusters and spiral open to reveal a full, classic form that is sure to please. Petal count 35-50.
Sunset Horizon !	Yellow/Pink	Bright yellow blooms that fade to pink as they age. Petal count 15.
Violet's Pride	Lavender	'Downton Abbey' Collection. Named after Lady Violet, the Dowager Countess of Grantham this rose bears clusters of medium-large, 3½-4" diameter blooms with a spicy citrus fragrance. Petal count 35-45.

Grandiflora

Anna's Promise *	Gold/Pink	'Downton Abbey' Collection. A beautiful grandiflora rose having an unusual gold tone with a copper reverse and a moderate fruity fragrance. Petal count 30-35.
Queen Elizabeth	Pink	A true beauty of a rose by American standards, with it's clear pink blooms and stately growth habit. 'Queen Elizabeth' was the first rose introduced into the Grandiflora class. Petal count 30-35.
Sitting Pretty !	Pink	Clusters of rich pink blooms with a pleasant damask fragrance. The bushy rounded growth habit makes this a good choice for container growing. Petal count 25.
State of Grace	Apricot/Pink	Old fashioned, double spiraled blooms are a blend of golden apricot with a pink reverse. Compact growth habit. Petal count 40 plus.
Strike It Rich *	Gold/Orange	Golden yellow blend with orange-splashed tips and a spicy fragrance. Petal count 30.

Cultivar/Variety Name	Color	Description
Cream Veranda	Pale Apricot	Beautiful romantic, fragrant, apricot flowers on a compact shrub. Ideal for use in containers or can be used in landscapes where a low-growing, compact plant is desired.
Double Knock Out *!	Red	Classically shaped, double red blooms on a compact growing bush. Petal count 18-24.
Pink Double Knock Out * !	Pink	Bright pink blooms with a classic rose form. Compact growth habit. Petal count 18-24.
Quietness !	Pink	Full, soft pink, fragrant flowers bloom well into the fall. A Griffith Buck introduction. Petal count 40 plus.
Texas Pioneer		
Ann's Beautiful Daughter !	Pink	Shrub. This compact, fragrant rose blooms throughout the growing season. Lovely ruffled, medium pink flowers. Petal count 25-40.
Belinda's Blush !	Light pink	A sport of 'Belinda's Dream' with fragrant, full blooms of a light, creamy pink that are excellent for cutting. Petal count 40 plus.
Cole's Settlement !	White	A shrub rose with single white flowers that can reach four inches across in cool weather. Flowers are followed by large orange hips in the fall. This is a wonderful rose to plant where you can enjoy its reflective flowers on moonlit evenings. Petal Count 1-7.
Doreen's Centennial !	Pink	Loosely cascading plants covered in pom pom like flowers perform beautifully in informal mixed borders. This rose is ideally suited for containers as well. Petal count 40 plus.
Fragrant Blush !	Pink	'Fragrant Blush' is a cross of two extremely fragrant roses, 'Dee-Lish' and 'Scepter'd Isle®'. What makes this rose even more special is it's heat tolerance to our hot Texas summers. Petal count 40 plus.
Lady Pamela Carol !	Yellow	Large, nearly thornless shrub rose with 3" yellow flowers. Good disease resistance. Fragrant and a repeat bloomer. Petal count 25-40.
Minnie Bell !	White	Two and a half inch wide apricot and pink flowers bloom heavily in the spring and fall on this six foot shrub. Petal count 15-25.
Pioneer Spirit !	Pink	Pink form of the old tea rose 'Sombreuil'. The 6 to 8 feet long canes have shiny foliage with lightly fragrant pink blooms. Petal count 40 plus.
Rockwall Sesquicentennial !	Pink	This rose has been named to commemorate the sesquicentennial of the city of Rockwall, TX. It is a compact rose to three feet with a fragrant double flower of soft pink. Good container rose and a repeat bloomer. Petal count 40 plus.
Sweet Frances !	Apricot	This lovely apricot rose has two- to three-inch flowers that repeat from spring to fall. The six foot upright shrub is very disease resistant and has a sweet fragrance. Petal count 26-40.
Thomas Affleck !	Rose	The intensely cerise pink, semi-double blooms make a bold statement in the garden. It is a wonderful specimen for a mixed planting, large container or near a walkway where its fragrance and thornless nature can be appreciated. Petal count 16-25.

Antique Roses

These Old Garden roses are naturally disease resistant, hardier and require less care than most other roses. Garden roses are generally very fragrant and adaptable to a variety of landscape situations. They have many classifications ranging from dwarfs to cluster blooms to climbers and everything in between.

David Austin English Roses

These roses bring the romance and charm of the roses of years past to your garden. Their blooms are packed with layers of petals, appealing fragrances and soft coloring.

Climbing Roses

Many of our modern rose climbers originated from hybrid teas that have a tendency to grow unusually long canes. Climbers can grow to a length of 18 to 20 feet and bloom as profusely as many hybrid teas. Unlike other types of roses, climbers are not pruned heavily each spring. They should be selectively pruned after the first flush of blooms.

Florascape Roses

These hardy spreading roses quickly cover large areas creating a carpet of low maintenance color ideal for slopes and rocky areas. Great in baskets for trailing color.

Floribunda Roses

This type of rose began as a cross between Polyantha and hybrid tea. The cross was such a success that an entire new call of rose was named. These shrubs reach 2 ½ to 3 ½ feet in height, with dense branching. They are free blooming with small blooms in large clusters.

Grandiflora Roses

Queen Elizabeth, when it was introduced in 1955, was clearly an extraordinary rose. However, it did not fit any of the already existing classifications. It was, therefore, given the distinction of naming a rose category for it. This type usually ranges from 4 ½ feet upward with long stems sometimes supporting several blooms, but slightly smaller than hybrid tea. Most Grandiflora shrubs support a heavy compliment of blooms throughout the growing season and are an excellent source of flowers.

Hybrid Tea Roses

This is the best type for cut flowers since each stem has only one bloom. Bushes grow 3 ½ to 4 ½ feet tall and get bigger in ideal conditions. The Hybrid Tea is the most popular type of rose sold in America.

Miniature Roses

These roses are small in stature but are prolific bloomers. They generally do not exceed 2 feet tall and bloom continuously with small flowers. They are extremely low maintenance and are great for containers.

Shrub/Hedge Roses

These roses are easy-care, versatile and fragrant. They adapt well to many soils and temperatures. They have colorful hips throughout winter.

Texas Pioneer Roses

These roses are the result of crosses between some of Dr. Robert Basye's disease resistant varieties and David Austin's English Roses, Hybrid Perpetuals, Hybrid Teas and other large-flowering shrub roses. The roses are named for various people and places important to Texas heritage. You will find them to be beautiful, resilient and tough, much like the early Texas pioneers they honor.

We recommend Espoma Rose-Tone organic fertilizer for all roses!
