

NORTH HAVEN
GARDENS

LOOKING FOR SOMETHING?

- **Come in!** *This is the best way to find the product you want. We're open daily 9am-5pm (winter) and 9am-6pm (spring through fall). We receive product throughout the week. With every visit, you'll see something new and beautiful.*
- **Call to check inventory** before you come in – **214.363.5316**. Our top priority is to serve customers who are in the store, but – as they are available – our staff can check a few items in inventory. Be aware that product sells rapidly and may no longer be available when you come in. We do not allow paid or unpaid holding of plants or products over the phone.
- **Would you like to learn more about our “Garden Coach” consultation program?** Please visit nhg.com/garden-coach-program (under Services tab) for full details and to book an appointment online.

One of the best ways to know what's going on at NHG is to sign up for our weekly Wednesday e-blast, where we announce the latest arrivals and timely tips for each garden season. Thank you!
